NO RETURNS/REFUNDS, PER TERMS BELOW:

I (the customer) agree to pay the above amount for Artsystems ProFile Hosting and Support Services (now and monthly or for one year after earlier of initiation of support or launch of hosting site) for as long as I utilize this service. Payments must be made via the above credit card or a replacement credit card and signed form via fax sent in advance of charging date. Maintenance includes technical support and online data hosting.

All charges are non-refundable. Charges are made monthly for the following month's service. Requests for cancellation must be made 10 days in advance of next payment date in order to not be charged for the following month's service. Artsystems reserves the right to refuse service if payment is not current (until such payment is made), with no credit to customer and with no forfeit of amount due.

**Introductory price listed above is confirmed for minimum of six months from original order. Cancel at any time with no obligation (subject to above schedule).*

Note: An additional fee is applied to canceled or lapsed accounts for ProFile services to be restarted. This restart fee is the lesser of three months of fees or the lapsed months' fees. Customer's online administrative site and customer data will be removed once a subscription lapses for six months. Restart charge will continue to be applicable after customer data has been removed from an admin site.
